KG1 WEEKLY PLAN

Term 1 Week # 8
Monday 06/10/2025 to Friday 10/10/2025

Dear Parents,

The following concepts will be taught during this week. All these concepts are expected to be reinforced at home through daily practice, especially by accessing the links provided.

Activities in Class

Self-Awareness

Literacy

Theme of the Month: My Body and Me

Theme of the week: My Senses

Social Emotional Learning: Self-Awareness

Essential Questions: "How can my senses help me learn?"

Big Book: Our senses

Read Aloud: My Five Senses

Build Knowledge and Language

Oral Language: Topic Words

- Active Listening and Viewing
- Collaborative Discussion

Reading And Vocabulary

- Make and confirm predictions
- Identify parts of a book

Dive Into Kindergarten

KG1 WEEKLY PLAN

- Make Connections

Vocabulary Words: Sight, smell, touch, hear, and taste

Print Concepts:

- Match Pictures to Text: Letters, Words, and Alphabetic Principle

Comprehension:

- Listen and respond to a story
- Connect life experiences to text

Alphabet knowledge:

- Children will write uppercase/lowercase Tt.
- Children will form letter Tt, consonant /t/ initial sound /t/.

Phonological Awareness:

- Identify words that rhyme
- Identify similar sounding words
- Clap Syllables
- Isolate and pronounce the initial sound

High Frequency Word: the

Grammar:

- Name action words

Introducing Key Kindergarten Skills

This week, we will be learning about the uppercase/lowercase letter Tt and its sound. These activities help children develop early literacy skills, including letter recognition, phonemic awareness, and beginning reading readiness. By exploring the letter Tt, children will strengthen their ability to connect letters with sounds, build vocabulary, and develop confidence in their reading and writing abilities.

KG1 WEEKLY PLAN

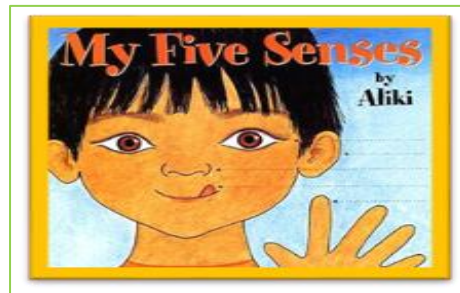

Balanced Literacy

This week, we will be focusing on rhyming words. This helps children develop phonemic awareness, which is important for building early reading and listening skills. Learning to recognize and play with rhymes also makes reading fun and supports their language development.

Reading

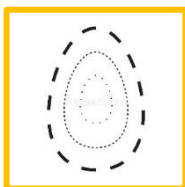

This week, we will be reading the story "My Five Senses". This engaging story encourages children to explore the world through their senses and highlights the importance of using sight, hearing, touch, taste and smell in everyday life. This helps children to become aware of their bodies, connect experiences to learning, and build early science and observation skills.

Numeracy

During this week, the children will develop pre-writing skills by tracing and drawing ovals and curved lines, practice sorting objects into purple and brown, and engage in rote counting to 10.

These activities help children strengthen fine motor skills, early number sense, pattern recognition, and the foundation for writing and mathematical thinking.

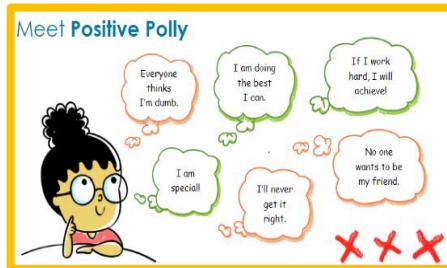

Dive Into Kindergarten

KG1 WEEKLY PLAN

Social Emotional Learning

This week, we will focus on "Positive self-talk" which help children build confidence, manage their feelings, and develop a strong sense of self-worth.

Science

This week, children will engage in exploring living and non-living things, learning to identify their characteristics through hands-on activities and discussions. This understanding is important as it lays the foundation for scientific inquiry, promotes curiosity about the natural world and encourages responsibility for the environment.

Week: 8

KG1 Homework Reading Plan 2025-2026

Dear Parents,

Please follow the weekly **Reading Plan** to help your child read the assigned story pages each day. Every week, we will assign a pre-decodable story to be read at home. We encourage you to sit with your child to support and reinforce their reading skills.

Thank you for your cooperation and support!

DIS Vision: DIS, in partnership with parents and community, strives to prepare every student to be digitally literate, a lifelong learner, and a productive citizen.

DIS Mission: DIS is committed to provide education following international standards yet adhering to local values and traditions.

OPTIONAL Home Activities for KG1

Week #8 – Monday 06/10/2025 to Friday 10/10/2025

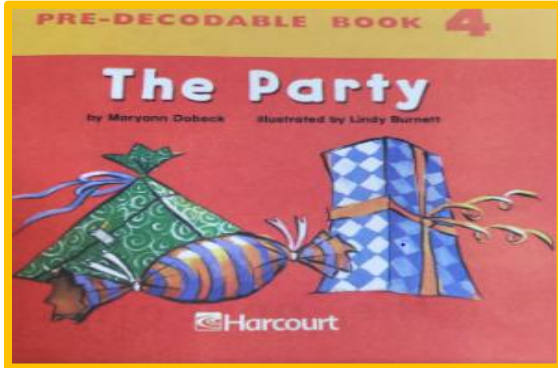

Daily Reading
<u>The Importance of Daily Reading</u> Reading to your child every day helps build their language skills, imagination, and love for learning. It strengthens your bond and sets a strong foundation for future reading and success in school. Just 10-15 minutes of reading each day can make a big difference!
Home Activities
