Gr.8 Graduation

CLASS OF 2026

A Chapter to Remember

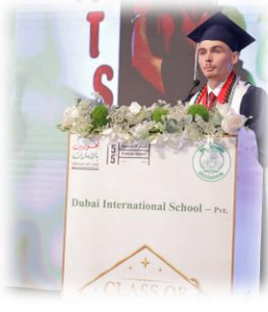

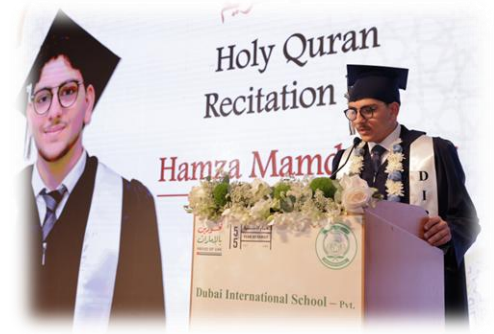

Fourteen years of learning, growing, discovering, and becoming.

For the Class of 2026, graduation marks more than the completion of their school years at Dubai International School. It is a celebration of every lesson learned, every friendship formed, every challenge overcome, and every memory created along the way.

From their earliest days in the classroom to their final moments as seniors, this graduating class has left its own unique mark on the DIS community. They now step beyond familiar hallways and into a future filled with new opportunities, carrying with them the values, experiences, and memories that have shaped their journey.

As one chapter comes to a close, another is ready to be written.

Congratulations to the Class of 2026.
Rooted in values. Ready for the future.

Celebrating a Year Together
The DIS family came together to celebrate the end of another successful school year—a joyful gathering filled with appreciation, laughter, and memorable moments.
